Ashtabula Maritime & Surface Transportation Museum

Founded 1984

Website Membership Letter

Dear Friends,

This year 2018, marks the 34th Anniversary of the founding of our museum in 1984.

The Ashtabula Maritime & Surface Transportation Museum is seeking your support in preserving our Great Lakes history by joining our organization.

We are proud to say we have not had to increase our membership dues for over fifteen (15) years.

We are presently moving forward with our plan to start an \$1.5 million additional building in 2019. We are still seeking monies from individuals, families, businesses, grants and foundations for this purpose.

Membership dues are an important source of revenue along with admission fees, gift shop sales, donations and other fund-raising activities. We do not receive any “operating monies” from the City of Ashtabula, Township of Ashtabula, County of Ashtabula or State of Ohio. With your membership you receive **FREE** and unlimited access to the museum for that current year. Just present your current membership card at the museum for your complimentary admission.

Please fill out the membership application attached and return it to us.

Make checks payable to the Ashtabula Maritime Museum.

Sincerely,

Robert Frisbie
